Gangwon State,

Where Mother Nature is

Very Much Alive

Gangwon State Information

Area
16,830 km²

Distance from east to west
About **150** km
Distance from south to north
About **243** km
Length of East Coast
212 km

Gangwon State, located in the middle-eastern part of the Korean Peninsula, is a place where undamaged clean nature is preserved. To the east, the dazzling blue East Sea spreads out, and around the Taebaek Mountain Range, which is the pillar of the Korean Peninsula, there are beautiful mountains, such as Seoraksan Mountain, Odaesan Mountain and Chiaksan Mountain. The natural environment remains untouched here, so you will have a fantastic view anywhere you look. Also, it is possible to have leisure sports in every season, including skiing, rafting, riding and paragliding, while experiencing nature, and have a thrilling time while energizing your body and mind that are tired from everyday life.

Population
1,522,542 (as of 2024)

The Taebaek Mountain Range, called the backbone
of the Korean Peninsula, stands high.

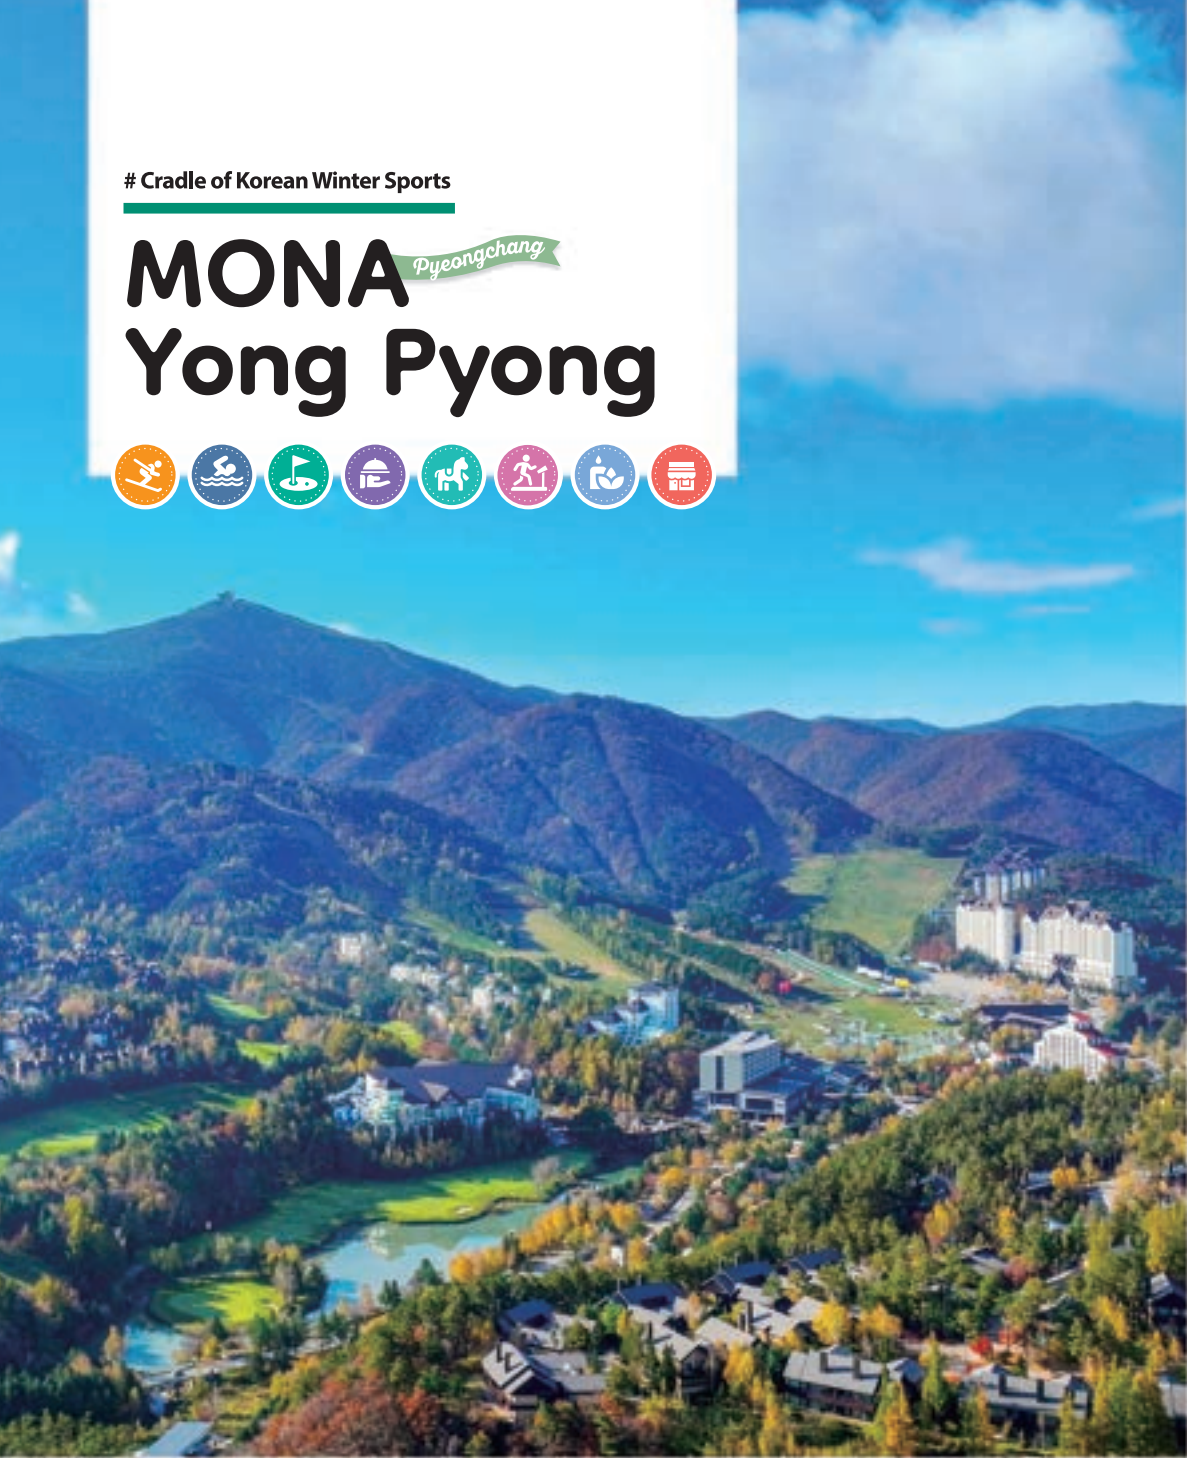

The lush forest and clean water combine to create
breathtaking nature that you cannot see
anywhere else.

If you stay in this ancient nature, your head will
clear, your eyesight will become sharp and
your mind will be calmer.

It's a precious time in nature, a crucial moment of
your life that you cannot miss.

Cradle of Korean Winter Sports

MONA *Pyeongchang* Yong Pyong

MONA Yong Pyong has been leading the development of Korean winter sports for the past half century since it opened as the first modern ski resort in Korea in 1975. The natural environment of the resort is so beautiful that it is called the Switzerland of Korea, and it also offers many things to enjoy, such as Mt. Balwangsang Cable Car a water park, luge and a golf club, as well as skiing.

WITH LAKE

The Road to Happiness,
Guided by Lakes

Hongcheon

Chuncheon

Cheorwon

Inje

Hwacheon

Yanggu

Bukhangang River is called a lifeline because it supplies water to the metropolitan area. Several dams were built on the river and created a deep, wide lake.

The lake gently caresses our weary shoulders like a mother's embrace, offering us a peaceful place to rest for a while.

Let's enjoy special food in a place filled with relaxation and romance and take a trip following the guidance of lakes.

Integrated Entertainment Resort

Sono Belle Vivaldi Park

Hongcheon

Sono Belle Vivaldi Park, a representative resort in the metro-politan area, is very accessible (about an hour from Seoul). Aside from the ski resort, there are also many leisure facilities including a golf course, water park and horse riding club. A variety of events are held throughout the year for tourists to enjoy, and the accommodations in Sono Belle Vivaldi Park are the largest in Korea.

ROOMS

2,521

Ski World (Ski Slopes)

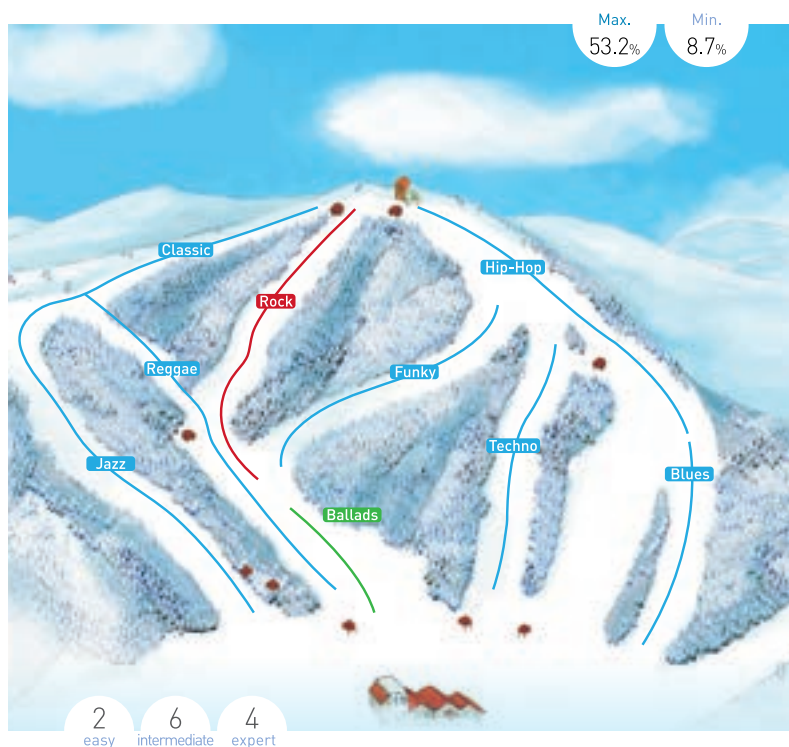

There are 12 slopes that vary depending on the difficulty and riding style. Ski World offers the Blues course, a 5-degree slope for beginners, and also Fun Park and superpipe, an extreme park for enthusiasts. Snowy Land, a large-scale sledding slope, also serves up a different type of fun.

Ocean World (Water Park)

Ocean World, a water park built to preserve the natural environment as much as possible, has a unique theme of ancient Egypt. With an area totaling 126,645m², the water park is divided into the Aqua Zone, Extreme Zone, Dynamic Zone and Mega Slide Zone.

Riding Club

The Riding Club of Vivaldi Park is known as the most prestigious riding club in Korea. Sixty high-quality German thoroughbred horses cared for by experts in cutting-edge facilities are always in top condition.

Seonmaeul

Hongcheon

Seonmaeul is a special place established with the motto of well-aging. In Seonmaeul, visitors will correct their bad habits, such as drinking, insomnia and stress, and practice healthy well-aging habits. To this end, it provides healthy meals and exercise programs anyone can easily follow, such as walking, stretching and therapy. You can also experience a nature-friendly lifestyle.

Spa and Red Clay Sauna

The spa's 1,000 ppm sparkling water fills the body with healing energy and helps improve metabolism and immunity. The red clay sauna is recommended after using the spa. Built with eco-friendly red clay, the sauna is effective in preventing aging and neuralgia, and in skin care.

Wondae-ri Birch Forest

This forest contains 700,000 birch trees, a tree that is called the aristocrat of the woods. Walking in the forest while looking at the white-skinned trees reaching up to the sky, you can feel a different atmosphere, as if you were in Siberia or Northern Europe.

763-4 Wondae-ri, Inje-eup, Inje-gun
 +82-33-461-9696

Seoraksan National Park

Seoraksan National Park is a UNESCO Biosphere Reserve and is also one of the most celebrated mountains in Korea. A continuous line of strange rock formations and cliffs and thick forest create a magnificent view together, and the Naeseorak course entering from Inje is especially popular for its autumn leaves in fall.

Iconic Main Festivals

01

Chuncheon International Mime Festival

May in Chuncheon is fantastic and romantic, because it is the month when the Chuncheon International Mime Festival, one of the top three mime festivals in the world, is held. At this time, many areas downtown are transformed into festival venues and become stages for concerts and events. This is where a delightful escape from daily life happens.

- 🕒 Every May
- 📍 112 Chuncheon-ro, Chuncheon-si, (Festival Theater Momzit)
- ☎ +82-33-242-0585
- 🌐 <https://mimefestival.blogspot.com>

Cheorwon Hantangang River Ice Trekking Festival

Cheorwon Hantangang River Ice Trekking Festival is an ecotourism-type festival where you can trek and look at nature along the frozen stream in the Hantangang River area, certified as a UNESCO Geopark in 2020. The festival is full of fun things to do, such as sledding, and has many different kinds of food.

- 🕒 Every January
- 📍 Around the Cheorwon Hantangang River Murwitgil Trekking Course
- ☎ +82-33-455-7072
- 🌐 https://gcwcf.or.kr/w1_c_3_3/2

02

Gomchwi Festival

Yanggu, the county that is the main producer of *gomchwi* (wild greens in the chrysanthemum family) and is known for Daeamsan Gomchwi, holds the Gomchwi Festival every year at the time of harvesting *gomchwi*. At the festival venue, you can try a wide variety of dishes made with *gomchwi* and also participate in *gomchwi* gathering activities.

WITH SEA

The Harmony of the Sea
and the Mountains

Gangneung

Sokcho

Donghae

Samcheok

Goseong

Yangyang

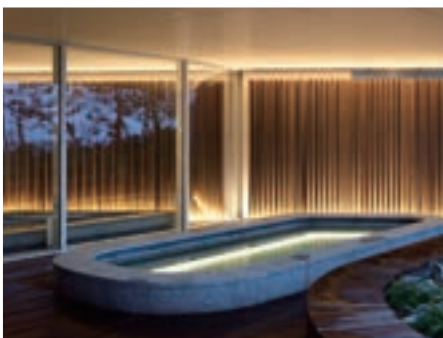

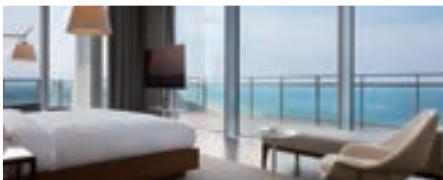

The East Sea in Gangwon State is a vacation spot
that is like a gift from nature, with a clear sea,
beautiful mountains and fun activities gathered in
one place.

It is the place where dazzling sights that
elicit exclamation
and feel like something thrilling is
about to happen are everywhere you look.

As Much Ocean as You Want

SEAMARQ Hotel

Gangneung

The view from SEAMARQ Hotel in any direction is a source of wonder. You can see Gyeongpodae Beach in front, Gyeongpoho Lake on the side, and the foot of Daegwallyeong Pass behind. The hotel opened in 1971, but it has been transformed with a modern and refined interior after remodeling. The hotel is a popular place for a "hocance" (hotel + vacance) because all rooms have an ocean view, and it is well equipped with facilities such as an infinity pool.

Infinity Pool

The 1.2-m-deep and 34-m-long infinity pool has a fantastic view, as if you were swimming at the border of the sea and the sky. The water is heated, so the pool can be used regardless of the season. The pool is a popular photo zone for SNS.

Signature dishes of Gangwon State

Spicy Stir-fried Chicken

Spicy stir-fried chicken is a dish you have eat when you are in Chuncheon. Chicken cut into pieces are spread in thick chunks and grilled on a griddle with various vegetables. Spicy stir-fried chicken is now a globally well-known K-food.

Buckwheat Noodles

Buckwheat noodles are made of buckwheat flour mixed with kimchi or radish water kimchi juice or with vegetables and spices. The noodles become more savory as you chew them, and the light yet spicy taste is delicious.

Hanu

Hoengseong *hanu* (Korean beef) has a special reputation. Hanu has a great flavor and texture thanks to its traditional breeding and systematic management. Its soft texture and rich juice are unique characteristics of Hoengseong hanu and what makes it beloved by many.

Sliced Raw Fish

Sliced raw fish is a dish of freshly caught fish deboned and sliced thinly to make it easier to eat. When you put a slice in your mouth, the freshness will dominate your mouth and you will soon be fascinated by its appeal because of its simple flavor and chewy texture.

Buckwheat Pancakes

Buckwheat pancakes are a soft yet crispy dish made of buckwheat flour and various other ingredients. The dish is also very nutritious because it is rich in fiber and minerals and high in protein.

Grilled Dried Pollack

Dried pollack is a type of dried seafood made by hanging fish in fields and drying them by letting them freeze and thaw repeatedly.

When sauce is spread on either side of the dried pollack and it is grilled, it becomes delicious grilled dried pollack with a wonderful chewy texture and spicy flavor.

Potato Bread

Potato Bread has become a new specialty of Chuncheon. The bread looks exactly like a real potato, which makes people interested even before eating it. Its chewy outside made of rice flour and mashed baked potato filling go well together and will satisfy your appetite.

Coffee Bean Bread

Coffee bean bread is a specialty of Gangneung, the city of coffee. This bread has become popular as the best souvenir of a trip to Gangneung. The fluffy bread and the filling containing coffee create wonderful sweetness and moistness.
